## ARE SURE OF THE CABLE

The Mackay cable company is evi-  
dently very confident that it will be  
successful in getting permission to lay  
a Pacific cable, according to reports re-  
ceived by the last steamer from the  
coast. Information came that the San  
Francisco offices of the company were  
already busy with the work of prepar-  
ing for the cable, receivers, transmitters,  
etc., having already been ordered.  
It is stated that the company has  
men in San Francisco already at work  
on the new cable business and that the  
company, not waiting for action of  
Congress or the administration, is go-  
ing ahead with the preliminary work.  
The San Francisco office of Mackay's  
telegraph company is reported by one  
of the head operators there, to be over-  
burdened with work in connection with  
the proposed new cable.

The fact that Mackay is actually do-  
ing practical work on the cable matter  
indicates the utmost confidence that he  
will get permission to lay his cable.  
He is already spending money on the  
project, and Mackay is not known as  
the kind of man to throw away  
money on a wild goose chase. It is  
stated that by the time Congress can  
reasonably be expected to act in the  
matter, Mackay will have preliminary  
work done, and will be ready to keep  
his promise to connect with Hawaii in  
nine months.

### HENRY VIDA ARRESTED.

Henry Vida was arrested today on a  
warrant charging him with assault and  
battery on C. B. Gray, who claims that  
Vida attacked him at the California  
saloon yesterday. The row between  
the men is the result of business trou-  
bles, in which an attempt is being made  
to dispossess Gray of his part in the  
control of the California saloon pre-  
mises. The civil action has already  
been brought in the circuit court.

### McKINLEY MEMORIAL FUND.

The McKinley Memorial Fund Com-  
mittee meets this afternoon at the  
Bank of Hawaii at 2 o'clock to report  
progress. The accepted sketch for the  
certificate of receipt has been redrawn  
by the artist, Allan Dunn, and the  
printing of them will be put in hand  
at once.

With other matters the designs and  
suggestions from readers published in  
The Star columns will be discussed.

### PROSECUTION QUILTS.

In the United States District Court  
this morning District Attorney J. J.  
Dunne moved for the dismissal of two  
of the defendants indicted for forni-  
cation, after the testimony for the pro-  
secution was all in. He did not think  
the evidence was sufficient. The de-  
fendants were dismissed and another  
similar case was begun.

Accuracy!  
Accuracy!  
Accuracy!

Our constant advertising aim.

We've all heard of the dog which  
both growled and wagged his tail to  
the bewilderment of the bystander who  
knew not which end to believe.

A like uncertainty often exists in the  
case of an advertiser whose promises  
have been known to belie performance.  
The question naturally arises:—"Is he  
entitled to credence now?"

No doubt we've made many a mis-  
statement in these ads. of ours—occa-  
sional errors will creep in like boys  
under a circus tent. But by this time  
we flatter ourselves, the people of Ho-  
lulu know us too well to confound  
casual blunders with wilful misrepresen-  
tation.

Would you do us a  
favor?

Tell us our faults.
